

Sailber Cab Services Brand Identity Design

Project : Sailber Cab Services Branding

Sailber is a modern cab service brand focused on reliable transportation, smart mobility, and clean urban travel experiences. For this project, I was responsible for creating the complete visual identity including logo design, social media branding, promotional creatives, and digital marketing visuals. The goal was to build a professional and memorable brand identity that reflects speed, trust, safety, and modern transportation services.

Client : Sailber

Service : Logo Design and Social Media Branding
